

There Is A River

EDWARD TONINI

1. When you're lost and feel alone.
When you're thirsting for something more.
You've been searching so far from home
and you can't find the cure for your soul.

Refrain:

There is a river I know,
A healing water that flows,
Bringing us new life in His love.

2. When you're weak and can't go on.
When you're weary through to the bone.
You've been walking now for so long
and you've come to the end of the road.

Bridge: If you're rich or you're poor in this world.
If you're young or you're body is old.
All who come to the Savior
will find open arms and they'll know.

Final Refrain:

There is a river I know,
A healing water that flows,
Bringing us new life.
Come to the river and know,
The healing water that flows,
Bringing us new life in His love. (*repeat*)
In Jesus' love.
